

# CONCERT SEATING TYPES

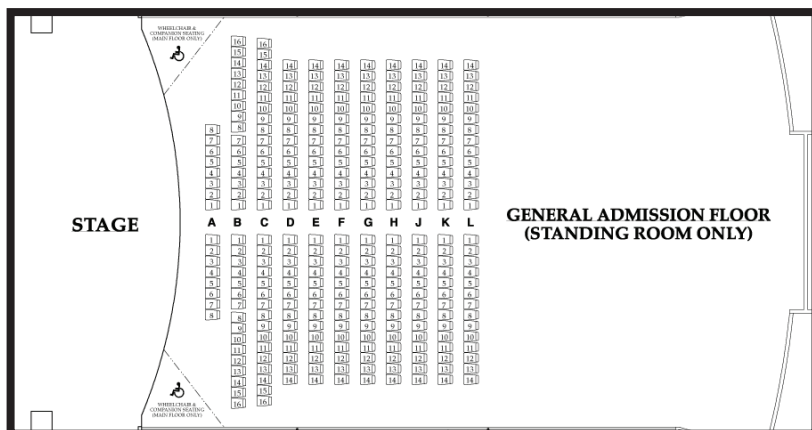

## Standing Room Only General Admission - No Chairs

## Reserved Seating w/Chairs General Admission or Reserved

## Hybrid Option Seating & Standing Room Only

### General Admission:

Unreserved seating or standing area. You may sit or stand anywhere in the venue where it is permitted on a first come, first serve basis.

### Reserved Seating:

The seat location printed on your ticket is your assigned seat for the show.

### Standing Room Only (SRO):

The area of the floor where there are NO seats and where guests will be required to stand the entire length of the show. It is recommended that you distribute wristbands to easily identify guests that belong in this area as most often this is the most popular place for guests to watch the show.
